

Volunteers

Work with Axiom Education on the Wild Coast of South Africa and be part of the Rural Education Revolution!!! Situated in the vibrant community of Zithulele Village on a breath-taking stretch of coastline, Axiom works with historically disadvantaged schools to create opportunities for student success. Join our dynamic team of teachers, volunteers and local staff as we do more for rural students in 2015.

***Taking a gap year? Wondering what to do during your summer break?
Passionate about education and development?***

We are constantly on the lookout for quality people willing to give of their time and energies on behalf of rural children. We run a number of academic and sports programmes that volunteers are able to contribute to on a short- or long-term basis. The ideal volunteer:

- Is comfortable working with children aged 8 - 18;
- Has strong academic credentials, particularly in mathematics or English;
- Is flexible, proactive and creative;
- Is willing to commit to a substantial period of time (ideally more than 3 months);
- Is willing to do anything asked of them with enthusiasm!
- Is excited about an adventure in rural South Africa.

For more details about volunteering with Axiom, including accommodation options, please email michelle@axiumeducation.org. Take a look at how other volunteers have described our work on our website at <http://axiumeducation.org/project-feedback.htm>. If you are interested in applying, please send your CV and a one paragraph motivation outlining why you'd like to volunteer during 2015 to michelle@axiumeducation.org.

Growing talent and opportunity in rural Africa.
